

Breaking Through

TO A BRIGHT FUTURE

The 2010 Annual CAHSA Convention & Exhibition

Experience the innovations and attitudes that will shape our field's future for your residents, clients and families. **Join us in Keystone on May 13-14, 2010** (as well as the preconference on May 12). The future is here.

A taste of the exciting conference agenda:

- Our new **Technology Theater**, a presentation venue for you to experience new and innovative technologies.
- CAHSA's **Expo** to give you time to network with your peers and the vendors who provide solutions to today's toughest challenges.
- **Quality First Awards** that celebrate the best of CAHSA.
- **More education!** Enhanced general sessions on Friday that include breakfast and lunch.
- **Leadership is essential!** So join us for our leadership preconference program on Wednesday, May 12, featuring REAL COLORS, an exciting program designed to help you and your team grow their leadership capacity.

Take action today to help shape our industry for tomorrow.
